Revised 4/11/23

- COSC is a non-profit club. No individual or member may make any kind of profit from use of the club or its ranges in any way.
 - COSC liability insurance only covers Board of Director-approved activities on our property.
 - Any persons bringing the shooting portion of any class to COSC without Board approval are subject to termination. The Board of Directors will provide a permission slip signed by the President.
 - Any persons violating these rules will be subject to termination of their membership.
1. No more than **two guests** allowed **per membership**. Members must remain with their guests at all times. Any member with guests must act as the RSO and may allow only **one guest** to shoot at a time.

 5. You must have your **membership card** with you when on Club property.
 6. It is advisable to **close, but not lock the gate** when **shooting alone**, in case of emergency.
 7. Last person to leave the club must **close and lock the gate**.
 8. **Uncased firearms** must be made safe: magazines removed, actions open with **open bolt (empty chamber) safety indicators inserted in chamber or barrel** of gun. These safety indicators must be **bright orange or bright yellow** and **easily visible** from all points on the firing line.
 9. Eye and ear protection is required within immediate vicinity when range is in use.
 10. **Always keep guns pointed in a safe direction.**
 11. **Always keep finger off the trigger until ready to shoot.**

 14. **No smoking** on the firing line or in posted safe areas when black powder is in use.
 15. **All shooting** must be done from in front of **the designated safety line (RED line)**. **No shooting at all from behind** the safety line.
 16. **Safety Flags** must be posted at the firing line. **Yellow** is to be hung before and whenever people go down range. Firearms are **not to be handled** when the **Yellow** flag is up. The **Red** flag must be hung **before firearms may be handled** and before shooting commences. Only ONE set of flags to be used at the 50/100/200-yard ranges. No handling or uncasing of firearms at the benches on any ranges if people are downrange of the benches. Even though the **Red** flag is displayed, you must wait until everyone is back at the benches before handling or uncasing firearms.

 22. **No climbing** is allowed on the bullet impact berms.

23. **No “skying”** of firearms. This is the practice of holding the muzzle of the gun above the bullet impact berms before lowering it onto the target. An accidental discharge while taking aim in this manner will allow a bullet to leave the range.
