STEEL TARGET RULES 25-YARD RANGES

Revised 8/24/2026

These rules apply when shooting steel with any long gun or handgun on a 25-yard range.

1. No projectiles or shot that attracts a magnet.
2. No bottleneck center-fire cartridges.
3. No target engagement at less than 10 yards.
4. No modern straight-wall centerfire rifle cartridges, e.g., .350 Legend, 360 Buckhammer, 400 Legend, 450 Bushmaster, 444 Marlin, 45-70 Gov't, 460 S&W, etc.
5. All rim-fire cartridges are permitted.
6. All straight-wall pistol cartridges are permitted.
7. Shot-shells with lead shot up to 00 Buck is permitted.
